Step Two:

(a) In the event a satisfactory settlement has not been reached with the Supervisor, the employee may appeal his/her grievance to the Department Head (or his/her representative) within five (5) working days following receipt by the employee of the written determination by the Supervisor. Such appeal shall be in writing signed by the aggrieved employee and delivered to the Department Head.

6. In the event an employee undertakes drug or alcohol rehabilitation under the County's Health Care Benefit Plan, the employee may apply for a Leave of Absence and such leave will not be unreasonably denied.

ARTICLE THIRTEEN

SICK LEAVE

A. Service Credit for Sick Leave.

1. All employees shall be entitled to sick leave with pay as specified hereunder.

2. Sick leave for purposes herein is defined to mean absence from work of an employee because of personal illness by reason of which such employee is unable to perform the usual duties of his position, exposure to contagious disease, a short period of emergency attendance upon a member of his immediate family critically ill and requiring the presence of such employee. For the purpose of these rules, "member of immediate family" is interpreted as meaning father, mother, husband, wife, child, foster child, sister, brother or relatives of the employee residing in employee's household.

B. Amount of Sick Leave.

1. One (1) working day of sick leave with pay for each month of service from the date of appointment up to and including the December 31st following such date of appointment, and fifteen (15) days sick leave with pay for each calendar year thereafter. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year. If an employee required none or only a

portion of the allowable sick leave for any calendar year, the amount of unused leave shall accumulate to his credit from year-to-year. The employee shall be entitled to such accumulated sick leave with pay if and when needed. An employee who leaves employment for any reason during the calendar year shall reimburse the Employer for paid working days used in excess of his or her pro-rated and accumulated entitlement. Proration does not apply to County directed layoffs, disability retirement, or to employees who terminate employment with ten (10) years of service or more with the County of Cape May.

2. Temporary, provisional and permanent part-time employees shall be granted sick leave credit on a proportionate basis.

C. Reporting of Absence of Sick Leave.

1. If an employee is absent for reasons that entitle him to sick leave, his department head or supervisor shall be notified no later than thirty (30) minutes prior to the employee's normal starting time. Each employee at the Crest Haven Nursing Home on shift work shall provide the required notice prior to commencement of his or her shift in accordance with procedures promulgated by Crest Haven. Each employee at Fair Free Transportation shall provide the required notice as soon as possible (including the prior evening) but at least one (1) hour prior to the commencement of his/her shift. Each employee employed as an Airport Security Guard shall provide the required notice as soon as possible but at least two (2) hours prior to the commencement of his/her shift.

a. Failure to so notify his department head or supervisor may be cause of denial of the use of sick leave for that absence and constitute cause for disciplinary action.

b. Absence without notice for five (5) consecutive days shall constitute a resignation not in good standing.

D. Verification of Sick Leave.

(a) An employee who has been absent on sick leave for five (5) or more consecutive work days may be required to submit acceptable medical evidence substantiating the illness.

1. An employee who has been absent on sick leave for periods totaling more than fifteen (15) days in one calendar year consisting of periods of less than five (5) days shall have his or her sick leave record reviewed by the County and thereafter may be required to submit acceptable medical evidence for any additional sick leave in that year. In cases where an illness is of a chronic or recurring nature causing recurring absences of one day or less, only one submission of such proof shall be necessary for a period of six (6) months.

2. The County may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Abuse of sick leave shall be cause for disciplinary action. The County Administrator may adopt such other sick leave verification

procedures that are reasonable and which the County deems appropriate.

(b) In case of leave of absence due to exposure to contagious disease, a certificate from the Board of Health of the employee's municipality of residence shall be required prior to the employee's return to work.

(c) The County may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined, at the expense of the County, by a physician designated by the County. Such examination shall establish whether the employee is capable of performing his normal duties and that his return to work will not jeopardize the health or safety of other employees.

E. Sick Leave Payment at Retirement.

At retirement, the County agrees to pay each employee an amount equal to fifty (50%) percent of all accrued and unused sick leave up to a maximum payment of Twelve Thousand (\$12,000.00) Dollars.

F. Part-Time Sick Leave.

Part-time employees receive sick leave credit allowance on a proportionate basis. One (1) sick leave day will be earned for each seventeen (17) days worked. The maximum sick leave days that can be earned is fifteen (15) days per year. Any vacation, sick leave, or personal leave days that have been earned and used are included in the seventeen (17) day total referred to above.

ARTICLE FOURTEEN

(the Workmen's Compensation Act of New Jersey). The County self-insures coverages required by this Act and these coverages are provided subject to the following conditions:

1. The disability must be due to an injury or illness resulting from the employment.

(a) Injuries or illnesses which would not have occurred but for a specific work-related accident or condition of employment are compensable.

(b) Pre-existing illnesses, diseases and conditions aggravated by a work-related accident or condition of employment are not compensable when such aggravation was reasonably foreseeable.

(d) Psychological or psychiatric illness is not compensable, except when such illness can be traced to a specific work-related accident or occurrence which traumatized the employee thereby causing the illness, and the claim is supported by medical documentation.

(e) An injury or illness not compensable when the appointing authority has established that the employee has been grossly negligent,

including those injuries or illnesses arising from impairment due to alcohol or drug abuse.

2. Any accident resulting in injury for which the employee seeks compensation must occur on the work premises.

3. For the injury to be compensable, it must occur during normal work hours or approved overtime.

(a) Injuries which occur during normal commutation between home and the work station or home and a field assignment are not compensable.

(b) Injuries which occur during lunch or break periods are not compensable. However, employees who are required by the County to remain at a particular job location during lunch and/or work break shall not be precluded from receiving benefits.

4. An employee is required to report to his or her supervisor any work accident or condition claimed to have caused disability upon occurrence or discovery, and is responsible for completing a written report on the matter within five (5) days or as soon as possible thereafter. The report shall include a statement of when, where and how the injury or illness occurred, statements of witnesses and copies of all medical reports concerning the injury or illness.

(a) The County may require the employee to be examined by a physician designated and compensated by the County.

Whenever the County-designated physician shall report in writing that the employee is fit for work, such leave shall terminate and such employee shall forthwith report for work.

Any employee on injury leave resulting from injury while on county work, shall continue to accrue sick leave credits while he or she remains on the payroll.

5. The County may, in its discretion and at its sole option, require or permit an employee who is off on Worker's Compensation leave to perform "light duty" if the County determines it is available.

(d) An employee may use accrued leave time (e.g. sick, vacation, personal days) for pregnancy - disability purposes, however, the employee shall not be required to exhaust accrued leave before taking a leave without pay for pregnancy - disability.

ARTICLE FIFTEEN

SALARIES AND COMPENSATION

A. The County agrees that employees covered by this agreement shall receive additional compensation during the term of this agreement in accordance with the following understandings:

The County and the Union have agreed to establish three (3) new Wage Guides which are attached to this agreement and which are designated as follows:

Exhibit "A" - The 1991 Wage Guide

Exhibit "B" - The 1992 Wage Guide

Exhibit "C" - The 1993/1994 Wage Guide

The procedure for implementation of these new Wage Guides shall be as follows:

January 1, 1991

Effective January 1, 1991, each employee shall be placed on the new 1991 Wage Guide Exhibit "A" in the same Range as the employee was classified on December 31, 1990 at the step on said Range which is the closest in annual salary amount but not less than the employee's annual salary as of December 31, 1990. No step movement shall take place.

June 1, 1991

Effective June 1, 1991, each employee shall advance one step on the 1991 Wage Guide within his/her Range.

January 1, 1992

Effective January 1, 1992, the 1992 Wage Guide Exhibit "B" shall become effective and each employee shall be placed on this 1992 Wage Guide in the same step and in the same Range as the employee was classified on December 31, 1991. No step movement shall take place.

September 1, 1992

Effective September 1, 1992, each employee shall advance one step on the 1992 Wage Guide within his/her Range.

January 1, 1993

Effective January 1, 1993, the 1993/1994 Wage Guide Exhibit "C" shall become effective and each employee shall be placed on this 1993/1994 Wage Guide in the same step and in the same Range as the employee was classified on December 31, 1992. No step movement shall take place.

October 1, 1993

Effective October 1, 1993, each employee shall advance one step on the 1993/1994 Wage Guide within his/her Range.

No other step movements will occur during the term of this contract which expires on June 30, 1994 or thereafter without prior negotiation with the County. The agreement by the County to institute Wage Guides is not a representation or agreement by the County that step movements on the Guide shall be automatic but all future step movements are subject to negotiation with the County.

Wage Guide and wage increases shall only apply to employees covered by this contract on date of execution. Any employee who has terminated County service prior to execution of the agreement is not entitled to any benefits under this agreement, including but not limited to salary increases or retroactive pay therefor, unless said termination resulted from an involuntary County directed layoff or a voluntary retirement of a County employee who is eligible to receive retirement benefits under the rules of the Public Employment Retirement System (PERS).

When hiring new employees, the County reserves the right to place employees at any step in the appropriate Range depending upon the ability, aptitude, and past experience.

B. County salaries are paid on hourly basis, therefore, the hourly wage rate for each employee shall be determined by dividing the annual salary of each employee as provided on guide by the total number of hours worked. The hours worked shall be determined by multiplying the total number of working days in a calendar year by the number of hours worked by an employee in a day based on the employee's normal scheduled hours.

C. Effective January 1, 1993, at the County's option, employee wages may be paid to the employee in twenty-four (24) checks rather than the current bi-weekly paycheck method. (For example: pays will be issued on the 1st and 15th of each month in place of present practice.)

D. In order to be entitled to the step movements provided hereunder, employees must be employed prior to September 1 of each year of this contract. Employees employed after September 1 of any such year shall not be entitled to a Step movement during calendar year of hire, but shall be first entitled to step movement during his/her second calendar year of employment.

E. Employees shall be paid a minimum of three (3) hours at time and one-half when they are called from home after regular work hours. If the emergency work is on a holiday, the minimum pay hours specified will be in addition to any holiday allowance to which the employee is entitled. This minimum call-in pay does not apply when work extends into the regular work hours. Under such circumstances, employees are paid for the actual time worked prior to their regular starting time and then for all regular hours worked.

F. An employee called at home and asked to perform emergency work will proceed to his reporting center. The employee will receive Two (\$2.00) Dollars personal car allowance for each completed emergency call in addition to the pay for the emergency work. This personal car allowance for emergency work shall not apply when work extends into the employee's regular work hours.

G. At the County's discretion the County may direct and designate Health Inspectors to be available and on call outside of their scheduled work week. These on-call assignments shall be for periods of one week. These Health Inspectors shall be immediately and readily available to perform any assigned duty, before or after their regular work schedule, during the one week period. When such a system is implemented, all Health Inspectors will be assigned such on-call responsibility on a rotation basis. Each Health Inspector shall have one pager for his/her disposal for the one week scheduled period. For each assigned week of on-call duty, the assigned Health Inspector will be entitled to take two (2) compensatory days off which shall be taken during a period beginning on or after September 15 and ending before May 15. Notwithstanding other provisions of this contract and the County policy against the carryover of compensatory time in each calendar year, compensatory time earned pursuant to this Article can be carried over into the next succeeding calendar year and taken prior to May 15 of that year as provided above, and employee may elect to take cash in place of this compensatory time off.

ARTICLE SIXTEEN

ARTICLE SEVENTEEN

TEMPORARY ASSIGNMENT PAY

Both parties agree that payment under this Article should be made in accordance with the following principles. Both parties agree that

employees should receive compensation appropriate for the work actually performed where same is needed to be performed. Both parties further agree that employees should not, without authorization, unilaterally assume the work of higher titles in order to generate higher compensation for themselves. Accordingly, both parties agree that employees shall be compensated when, in accordance with the above principals, they perform work in a title having a higher rate of pay for a period in excess of three (3) consecutive full days or three (3) full days during any pay period. In such event, the employee shall be paid for hours involved at the minimum salary in the new range but in no event less than his current salary.

The temporary assignment pay provided for above shall not apply to the following circumstances:

(a) During periods of emergencies, i.e. matters concerning public safety, major storms and disasters, and natural causes, temporary assignment pay will not apply.

(b) When employees are assigned to jobs having a higher rate of pay for training purposes, temporary assignment pay will not apply.

In determining the validity of requests for temporary assignment pay, the New Jersey Department of Personnel Job Description for the higher title will be the basic criteria used.

B. Deputy pay shall be included in the computation of longevity.

C. Longevity pay shall be computed as of January 1 and shall commence on January 1 of the year during which the employee's fifth anniversary date of hire occurs.

D. The parties agree that the County shall not provide a longevity plan to employees hired after August 13, 1985. The above longevity plan shall only apply to employees hired prior to August 13, 1985. The intent of the parties is to provide for the "grandfathering" of longevity for present employees of the County.

The Union agrees that such action would constitute a material breach of this agreement.

B. In the event of a strike, slowdown, walkout or other job action, it is covenanted and agreed that participation in any such

activity by any Union member shall entitle the County to invoke the following:

Such activity shall be deemed grounds for termination of employment of such employee or employees, subject, however, to the application of the New Jersey Department of Personnel Regulations.

C. The Union will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other job action against the County.

C. The aggregate deductions from all employees shall be remitted to the Treasurer of the Union together with the list of the names of all employees from whom the deductions were made by the fifteenth (15th) day of the succeeding month after such deductions were made.

D. If during the life of this agreement there shall be any change in the rate of membership dues, the Union shall furnish the County written notice thirty (30) days prior to the effective date of such change and shall furnish to the County official notification on the

letterhead of the Union and signed by the President of the Union advising of such changed deduction.

E. The Union will provide the necessary "Check-Off Authorization" form and the Union will secure the signatures of its members on the forms and deliver the signed forms to the County Personnel Officer.
